YOU GUESS

**Take Plenty Time to Eat.**

There is a saying that "rapid  
eating is slow suicide." If you  
have formed the habit of eating  
too rapidly you are most likely  
suffering from indigestion or  
constipation, which will result  
eventually in serious illness un-  
less corrected. Digestion be-  
gins in the mouth. Food should  
be thoroughly masticated and in-  
salivated. Then when you have  
a fullness of the stomach or feel  
dull and stupid after eating, take  
one of Chamberlain's Tablets.  
Many severe cases of stomach  
trouble and constipation have  
been cured by the use of these  
tablets. They are easy to take  
and most agreeable in effect.  
Sold by all dealers.—adv.
